

The ReRack Open Golf Tournament (Year One: 2024)

RULES

- ***2 Full Rounds (36 Holes)***

2 Days. 18 Holes per day.

Day 1 Groups will be randomized.

Day 2 Groups will be determined off Day 1 Scorecards. The Championship Group will be the last group.

If we have a tie to determine Groupings for Championship Sunday, hole 18 Day 1 score will be a tie breaker. If that doesn't work, we will go to a Putt Off on the practice green

- ***Breakfast Ball***

Everyone receives a FREE Breakfast Ball on Hole 1. Use it or lose it. You cannot use your BB anywhere else other than Hole 1.

Both days you receive a free breakfast ball for hole 1. These are not mulligans.

- ***Stroke Play (Rules)***

Stroke Play for the entire tournament. Blowup holes are double par (gotta keep the game moving).

If you Hit out of bounds off the tee, go to the point of exit to drop. You would be sitting 2* (as drops work).

Not doing re-teeing. Keep the round moving.

Same applied during approach shots etc. drop out closest exit for a stroke penalty.

Putting GIMMES: Entire group must agree on gimmes. Simple as that.

- ***Scorecards***

This is a game of integrity and honor. Score yourself and the other 3 members in your group.

We will also be using an app to provide live scoring updates so we know what each person is shooting.

- ***Mulligans***

Each player has 2 Mulligans per Round.

With these mulligans, Player has the option to play the best ball whether that be the original shot or mulligan shot. Mulligans can only be used off the Tee.

Players can burn their mulligans whenever they would like. And Yes, a player can use both mulligans on the same tee box.

- ***Gallery Rule***

If the ENTIRE group agrees that a player had a great shot, and trying to find the shot is taking above the 2 min time frame, the group can vote on a Gallery Rule. No stroke penalty.

Someone may hit a piss missile into the group above and everyone says that was an excellent shot. Maybe that ball goes missing for some reason. Or a Fat Staten Island fuck picks your ball up. Group can give the player a free gallery drop if they all agree.

- ***Free Relief***

Divots/Roots/Sprinkler Head Rule: Player that hits into divot/straight dirt/roots/sprinkler head gets free relief (club length drop).

If the ball or your feet are being affected by any of these, you receive free relief as that still would affect your shot. Club length!

Cart Path Relief: Move Horizontal for relief. Can not move closer to the green.

- ***The Playoff***

If we are tied after 2 rounds and cannot declare a Champion, Hole 18 (may be changed to another hole depending on the Starter) will be the 1 Playoff hole.

If Both players tie on the first playoff hole, we go onto a second and etc. until someone wins a hole.
